Seasonal Employment at Ditmars Orchard & Vineyard

Ditmars Orchard & Vineyard is a seasonal destination, and many of our team members join us during our busiest and most exciting times of the year. Seasonal positions help support our orchard, café, tasting room, retail shop, and special events throughout the spring, summer, and fall seasons.

Seasonal team members typically work May through October, with our busiest times during weekends, festivals, and harvest season. Because of this, weekend and holiday availability is strongly preferred.

Working at the orchard is a fast-paced, fun environment where employees help create memorable experiences for our guests. While seasonal positions are temporary, outstanding team members are often invited back in future seasons or considered for other opportunities when available.

□ I understand that weekend availability is required during peak season.

I certify that the information provided in this application is true and complete to the best of my knowledge.
I understand that false or misleading information may result in disqualification from employment or termination if hired.
